## **Course Duration**

The expected completion duration of this course is 66 Weeks (including 50 weeks of study and 16 weeks of holiday) on a full time basis, minimum 20 Contact Hours per week.

## **Entry Requirements**

### **Age Requirements**

18 years of age or older at the time of making an application for admission in this course, and should have successfully completed year 12 or equivalent to Australian senior secondary school.

### **International student Academic Requirements**

To gain entry to this course, participants should have successfully completed year 12 or secondary studies in applicants home country equivalent to an Australian Year 12 qualification (for more information visit <https://www.qcaa.qld.edu.au/senior/certificates-qualifications/qce/transfer-students/qce-equivalent-qualifications>).

### **English Language requirements.**

All International Students entering this qualification must have a minimum English Language proficiency level of one of the below:

An English Language proficiency level of one of the following:

- Either a minimum IELTS (General) test score of 5.5 or equivalent for direct entry into a VET course (results less than three years old);

OR

- Evidence that confirms they have studied in English for at least five years in Australia, Canada, New Zealand, Republic of Ireland, South Africa, United Kingdom or United States;

OR

- Evidence that, within two years of their application date, they have successfully completed in Australia a foundation courses or a Senior Secondary Certificate of Education or a substantial part of a Certificate IV or higher-level qualification under the Australian Qualifications Framework.
- For more information, visit the following:
  - <http://www.homeaffairs.gov.au/Trav/Stud/More/Student-Visa-English-Language-Requirements/>);
  - <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility>

### **Pre-training Review**

All students will participate in a pre-training review which aims to identify their training needs through:

- Identification of any previous training undertaken, and relevance of the training to this qualification
- Identification of basic computing skills to support computer based classroom learning

- For international students, confirmation of their level of English language skills including confirmation of successful assessment at IELTS 5.5

The Pre-Training Review will also determine eligibility to undertake any portion of the qualification via a recognition of prior learning pathway.

### **Language, Literacy and Numeracy Test (LLN)**

During the enrolment process, all students will complete a language, literacy and numeracy assessment to determine if any barriers to their learning exist as a result of LLN issues. The information from the LLN assessment will be used to identify any reasonable adjustments that need to be made to the learning and assessment for each individual learner.

Where it is identified that a student does not have an adequate level of language, literacy and numeracy, the student will be referred to an external provider to undertake additional studies in the areas of need. Once the student has completed this additional study, they will re-sit the LLN assessment before being accepted for enrolment in the qualification. All costs associated with additional LLN training will be the responsibility of the learner.

**Note:** Peach Institute does not guarantee for any of its student/s, successful completion of the course, any Particular employment outcome or any migration outcome.
