

CPC30620 - Certificate III in Painting and Decorating

CRICOS Course Code: 103830E

This qualification provides a trade outcome in painting and decorating for residential and commercial construction work.

Occupational titles may include:

Painter and Decorator.

Licensing, legislative and regulatory or certification requirements for painting and decorating work differ between States and Territories. Please consult with the relevant regulatory authority.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice: Construction Work, is required by anyone carrying out construction work. Achievement of CPCCWHS1001 Prepare to work safely in the construction industry meets this requirement.

CPC30620 - Certificate III in Painting and Decorating is the nationally recognised qualification for painters. You will gain essential background knowledge in the processes, materials, tools and equipment used in the painting and decorating industry.

Painting and decorating is a physically demanding occupation requiring working at height, dealing with chemicals, long hours standing and bending and manual handling involving erecting trestles and scaffolds and carrying various painting equipment.

It is important that students confirm their physical health and fitness and advise Peach Institute of any respiratory illnesses and other physical ailments that may negatively impact on their ability to complete the qualification.

Where possible, Peach Institute will provide all necessary assistance to overcome barriers to the learning and ensure that every opportunity to complete the training is made available. However, where it is identified that the student does not meet the physical or health requirements, they may be excluded from enrolment.
